

Daughters of Penelope

We are an international nonpartisan women's organization (501c10). We have three affiliate organizations that comprise the AHEPA family, including AHEPA, the Maids of Athena, and the Sons of Pericles.

A Unique Family of Excellence

The Daughters of Penelope was the realization of Alexandra Apostolides' dream. Her desire was to create a woman's organization and because of her perseverance she formed EOS Chapter #1 with 25 charter members on November 16, 1929 in San Francisco, California. She was elected the first Grand President of the organization in 1931.

Education - the Key to Leadership

Developing new and more responsive ways to meet our community's responsibility in creating a better learning environment for our children-supporting tomorrow's leaders.

A Voice Through Membership

Advocacy through our chapters on a federal, state, and local level, including diplomatic leaders in the Greek-American community.

Philanthropy

From natural disaster relief, to raising funds to eliminate life threatening diseases, to making significant contributions to our local municipalities. Our members make a difference.

Affordable Senior Housing

Our civic responsibility to provide affordable housing to senior citizens. The AHEPA Housing Corporation has been awarded over \$400 million from the Department of Housing and Urban Development.

Recognizing Women's Athletics

Recognizing female athletes at the high school, collegiate, and professional levels with scholarships, accolades and in some cases, induction into our Athletic Hall of Fame.

The Ideals of Hellenism

Our sisterhood serves as a vital vehicle for the progressive development and emergence of many American citizens of Greek heritage into every facet of society: government, business, education, and the arts. Keeping the promise of the American Dream and the hard work ethic of our immigrant forbearers deeply rooted in the principles and ideals of Hellenism and symbolizes the hard work ethic of our immigrant forbearers who labored to achieve that dream with the principles of Hellenism rooted deep in their hearts.
